

Tanvir Hossain

Full-Stack Web Developer (MERN) 📍 Dhaka, Bangladesh | tanvirhossain904@gmail.com | +8801866854904 tanvirh.com | <https://github.com/tanvirhossain904>

PERSONAL PROFILE

A highly motivated and detail-oriented **Full-Stack Developer** with expertise in **Next.js, React, and Tailwind CSS**. Proven track record of building and deploying functional web applications, including e-commerce platforms and SEO analysis tools. Passionate about writing clean, maintainable code and optimizing web performance to deliver superior user experiences.

CORE SKILLS

- **Frontend:** Next.js 15, React.js, JavaScript (ES6+), Tailwind CSS, Framer Motion.
 - **Backend & Tools:** Node.js, REST APIs, Git/GitHub, Vercel Deployment.
 - **Specialised Skills:** SEO Optimization, Responsive Design, Web Performance (LCP/CLS), DNS Management.
-

TECHNICAL PROJECTS

SEO Analyzer Pro

- Developed a real-time web auditing tool that parses HTML to evaluate metadata, header structures, and alt-tag compliance.
- Implemented logic to provide actionable SEO scores, helping users improve search engine visibility.
- Optimized tool performance to ensure analysis results are delivered in under 2 seconds.

EttsyBD (E-commerce Platform)

- Engineered a full-featured e-commerce site with dynamic product filtering and a persistent shopping cart system.
- Integrated optimized image delivery using Next.js Image component, reducing page load times by 40%.
- Focused on mobile-first responsive design to ensure a seamless shopping experience across all devices.

FitnessLume (Blogging Platform)

- Created a content-heavy blog utilizing Server-Side Rendering (SSR) for maximum SEO efficiency.
 - Designed a custom UI/UX focused on readability and dark-mode compatibility using Tailwind CSS.
 - Managed deployment pipelines via Vercel for automated CI/CD from GitHub.
-

EDUCATION

OTHM level 5 extended Diploma in Information Technology, 2026

Key Modules: Data Structures, Web Technologies, Software Engineering.

EXPERIENCE

Freelance Web Developer | *Remote* | 2021 – Present

- Collaborated with clients to translate business requirements into functional, high-performance websites.
 - Managed end-to-end deployment including domain migration, SSL configuration, and environment variable setup.
 - Provided technical SEO audits for existing websites, increasing organic traffic for client projects.
-

ADDITIONAL INFORMATION

- **Languages:** English (Professional), Bengali (Native).
- **Interests:** Open-source contributing, UI/UX trend research, and fitness technology.
